

Hi Coach Sirola!

My name is Kim Snow and I play for TAV17 Molten (Dallas, TX). I am a 6' outside hitter who plays all around, or sometimes, I play libero. My family moved to Dallas two years ago from Colorado. I played at Colorado Juniors for three years, and I have been the captain of my school and club teams for five years. I am definitely interested in Oral Roberts University, and I would love if you would come watch me play. My team will be attending the following tournaments in the Open division; Omaha (February 14-16), Pacific NW Qualifier in Spokane, WA (March 27-29), the Lonestar Qualifier in Dallas, TX (April 10-12), and the NorthEast Qualifier in Baltimore, MD (April 17-19). You are also welcome to come down to Dallas for any of the local tournaments or practices, [www.ascvb.com](http://www.ascvb.com). Hope to see you soon and Happy New Year!
